

# THE SCHEDULE – POTENTIAL IMPACT 2017

APRIL 27-30 AT GULL LAKE CAMP

## SOUL THIRST

A three-fold framework:

- *Spiritual direction*
- *Deeper personal understanding*
- *Openness and exposure to ministry potential*

Small groups will be integral to our approach. Ideally 6-7 in each group along with a coach. The same group will be together throughout the weekend with an appointed coach. These groups will compete as teams in games, but ponder questions together. As these individuals meaningfully get to know each other there will be prayer support and peer-to-peer encouragement.
