CALLING the
NEXT GENERATION of
CHRISTIAN LEADERS

A CBWC Retreat for
Grade 11 – Age 24

APRIL 27 – 30, 2017

Potential Impact CBWC Retreat Grade 11 to Age 24

Every generation needs to encounter Jesus, rise up, and put faith into action. That action might be as a waitress, a carpenter, a pastor, a children's church leader, a board member, a musician, a youth leader... and the list could go on and on.

“Whatever you do, do it all for the glory of God.”

1 Corinthians 10:31

We come to an age where bigger questions are being asked about our place in the world and the plan God might have for our lives. Every believer faces these challenges, but no one stares them in the face as much as those us of between grade 11 and age 24. This retreat is intentionally wired for those who are taking these questions seriously.

Potential Impact is not about someone telling people what they should do. Potential Impact will be asking better questions:

“What is God calling you to do?”
“How do we help you prepare for that challenge?”

This retreat is the first of its kind among our churches and is open to young adults living in ***all Regions*** of the Canadian Baptists of Western Canada.

If you are in this age group, you will be joined by peers and coaches who are concerned for your future – your ‘potential impact’. They will help you hear and clarify the call of Jesus in your life. If you are a dedicated young person, now is the time to seek God and say, ***“Speak Lord, your servant is listening.”***

If you are a church leader, determine who among your church will profit from this experience and do everything in your power to see they come.

Date: Thursday evening April 27th to
Sunday noon April 30th.

Place: Gull Lake Centre, AB

Cost: Early bird \$160 (until March 15)
