

Seeking Pastor

First Baptist Church Pincher Creek, AB

We are situated near the Rocky Mountains in southern Alberta with numerous year round recreational opportunities. We are part of a town and rural community of 8000. We have been a witness to our community since 1948.

We are an aging congregation with some young families averaging a weekly attendance of 45 with regular connections to 85. You will find us supportive and loving.

We are praying for a pastor who loves the Lord and who will preach and teach the gospel with a high view of scripture. He will also conduct normal pastoral care and enjoy relational ministry to a wide range of people especially the young.

We prefer having a balanced music ministry that also appeals to younger generations. We also are open to explore other ministries that God has for us.

Our church building is functional, paid for, and shows well to the street.

This is a full time position. We are currently without a Pastor so start date is flexible.

We offer CBWC recommended rates of pay, however we can only realistically offer 1-2 years full time work at current attendance trends. We have faith that we can grow and be a presence for Christ in our community. We have been at 180 persons per week in the past.

If God is calling you to a pastoral ministry like this, we invite you to apply with a Ministry Information Profile. The MIP form can be downloaded at <https://cbwc.ca/careers>. Please apply through email at fbpcsearch2018@gmail.com.

Closing date is October 30, 2018.
