THEME: LIVING WITH A KINGDOM MINDSET

ROB OGILVIE

Rob is the Executive Minister of the CBWC and is responsible to the Board for CBWC's general operations, resourcing churches, and implementing the denomination's vision, which is the collective will of the denominational churches in Assembly under the guidance of God.

He and his wife Bonnie live in East Vancouver and enjoy spending their down time walking and cycling. They have two grown children who are both married. One couple lives in Calgary and the other in Edmonton.

PETER ANDERSON

Serving students and youth leaders has been God's clear calling on Peter's life from the age of 16. Within his new role as Director of Next Generation Leadership, Peter is excited to imagine how young men and women within our churches can be raised up to serve God now, and for years to come, through denominational investment in them.

Peter and his wife Brianna are parents to two amazing boys: Lincoln, age 2 and Everett, age 1. In his free time Peter loves to hang out with his family, read, run, play pinball and talk about anything related to Disney.
