Century II Fall 2019 Appeal

Calvary Baptist Community Church, Weyburn, Saskatchewan:
Fellowship Hall Upgrades

Canadian Baptists
OF WESTERN CANADA 

History

Century II began as a project of the Baptist Men in 1980. It is a program where individuals can pledge support for new initiatives with CBWC churches. Churches wanting to make renovations or upgrades to their facilities can apply to their Regional Minister, who takes recommendations forward to the CBWC's Executive Staff.

Each Century II participant promises to give a minimum of \$20 to each project (up to 4 times a year). 90% of each donation goes to the project, while 10% is used to help cover communication and receipting costs. **To account for inflation over 30 years, please consider increasing your gift above the original \$20, if possible.**

Please send your contribution to the CBWC office in Calgary, in care of Century II. Or you can donate online at www.cbwc.ca. In an effort to keep administration costs to a minimum, you will receive one official income tax receipt for the total contribution made to all projects for the year, sent in February of the next year. If you have any questions regarding your receipt, please contact the CBWC at 800.820.2479.

Recent Appeal:

Mountain Standard Regional Minister Dennis Stone shares an update from his visit to Brownfield and Rural Light Ministries:

The Nanton group was responding very positively to the virtual services coming their way. Another group from rural Alberta is also investigating working with Brownfield. The pastor and his wife from the Longview congregation have visited Brownfield on a Sunday to see how things work from that end.

Thanks to your generosity, this ministry can continue to grow and support rural churches!

Fall Appeal: Calvary Baptist Community Church

Calvary Baptist in Weyburn Saskatchewan, host of CBWC's most recent SERVE trip, has been serving the community of Weyburn since 1906.

Calvary has many active ministries throughout the week, and also share their facility with community groups such as Variations Community Choir, Gospel of Grace Fellows and the Weyburn Cooperative Playschool. Piano teachers also use the space.

The fellowship hall is particularly well-used, and in need of care, as Pastor Tim MacKinnon explains:

"We have need to upgrade our sound system to provide secondary video and sound in our fellowship hall, which we use regularly for Sunday School, funerals, mid-week Bible Studies, youth group, and seasonal family events—not to mention the numerous community groups that also rent this space."

THE NEED

As part of this project, the leadership team at Calvary Baptist also hopes to replace the chairs in fellowship hall, recondition the piano, and replace a few of the windows.

The fellowship hall project at Calvary Baptist Community Church will cost around \$5000.

Will you help this congregation make their fellowship hall a welcoming place for all in their community?
