

POSSIBLE PROCESS FOR THE LOCAL CHURCH PASTOR, BOARD AND CHURCH MEMBERS

As you will see on the Assembly 2022 webpage, there is a framework set up around 3 D's: Dialogue, Discover, and Discern. This framework provides practical but meaningful content to engage with as church leaders and delegates. It seeks to facilitate dialogue around the ID statement and three motions, that were sent out in February 2021, to be discussed and voted on at Assembly 2022. This is not an exhaustive list of resources but is intended to facilitate dialogue and Spirit-led discernment.

10-Step Process:

Below is a potential process that church leaders could follow as a roadmap from June 2021 to May 2022.

1. Set several meeting dates as an intentional time to explore and discuss ID statement and motions being brought to Assembly. We would suggest between September 2021-April 2022.
2. Start with extended prayer, asking for the Spirit's guidance, and for peace to reign.
3. Review Assembly approved resolutions (see Discover section on webpage).
4. Review ID statement and engage with related questions (see Dialogue section on webpage).
5. Review Motions and engage with related questions (see Dialogue section on webpage).
6. If you are a pastor, attend ministerial clusters in your region.
7. Attend Fall 2021 topical webinars and explore other resources available on the Assembly webpage
8. Determine if your board feels led to submit a motion (in accordance with the Canadian Not For Profit Act (CNPCA) the deadline for submission is between Dec. 26 and Feb. 26). See "How to Submit A Motion" for more details.
9. Choose delegates that will faithfully represent your church (see how to select a delegate).
10. Register them at cbwc.ca/assembly by May 13, 2022. Read "Delegate Information" for more details related to Assembly 2022.

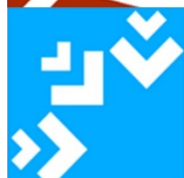

Summer 2021

- *Life Together in 3D* resources available online at www.cbwc.ca/assembly-2022

Fall 2021

- Additional corporate resources available including webinars, prayer triads, local church dialogue and ministerial clusters

Winter 2021/22

- Dec 26-Feb 26 window to submit new motions
- Jan 10 Assembly registration opens

Spring 2022

- April 25 Docket and Motions Distributed
- May 26-29 Assembly 2022 including vote on motions
