Century II began as a project of the Baptist Men in 1980. Since then, the campaign has expanded to include anyone in the CBWC family wanting to help selected churches with upgrades and renovations to their facilities.

Relaunched under the new name, C2, we have broadened the scope of the grant to include both small capital projects and new and innovative ministry—better leaning into our three ministry priorities of Cultivating Leadership, Investing in Relationship and Engaging in Mission.

If your church is interested in applying for a C2 grant, please speak to your Regional Minister.

HOW IT WORKS

Every quarter, we will select and promote a project from a different CBWC region. Each C2 donor promises to give a minimum \$25 to each project over the course of the year. 90% of each donation goes to the project, while 10% is used to help cover communication and the cost of receipting. Please consider increasing your gift above \$25 to help account for inflation.

2021 FALL APPEAL
Longview Bible Fellowship

 We give thanks to God for His faithfulness through you.

2021

FALL APPEAL LONGVIEW BIBLE FELLOWSHIP

Longview Bible Fellowship is one of the newest churches to join the CBWC.

It began as a mission around 1930 as a Baptist church, and in 1950, joined the Canadian Sunday School Mission. We were pleased to welcome them to our association of churches in January 2020.

The church has a vision to reach the community, and in 2019, began running the village park as a summer ministry seeing there were no children connected to the church itself. They also started a quarterly Hymn Sing geared to believers to gather for encouragement and inspiration.

Their most recent initiative is a Christian dinner theater. As Pastor Gil Kidd explains, "We have combined with a local seniors' club and Nanton Baptist Church to present a Gospel outreach to the Longview and area community." Their first presentation was nearly sold out when they were forced to cancel due to the pandemic.

They are looking forward to re-engaging with the community in these and other ways now that Covid-19 restrictions have lifted.

THE NEED:

- Proper fire door at the front of sanctuary providing two exits with illuminated exit signs
- Repaint outside of the church building
- Refinish sanctuary floor: a) refurbish existing floor, or 2) remove old floor, fix subfloor, and replace with laminate flooring
- Re-gravel driveway .

RECENT APPEAL FIRST BAPTIST CHURCH, NELSON

The community of Nelson has been using the church for various community events since 1958, before FBC even took ownership. Your generous donations helped them repair and repaint the exterior of the building so they can continue to minister to the community in multiple ways including Cornerstone preschool, school age and after school care program.

Thanks to your generosity, FBC Nelson can continue to be a ministry hub for their community.
