## *Rev. Dr. Ed Neufeld*

Ed Neufeld is married to Marilyn, and they have four children and no grandchildren. They've been serving the Kleefeld Christian Community since 1990. Ed is diligent with the Biblical text in ways that not many are. His approach to the Scriptures is refreshing and will serve as encouragement for us as we meet together. He is a mostly-retired professor of NT at Providence Theological Seminary. Ed drives a 1952 Mercury half-ton that has been his daily driver for 35 years. He also has three bicycles, and is tired of covid.
