B.C. and YUKON BAPTIST WOMEN - 2023 Mission Projects

Together, as Canadian Baptist Women in BCY we support several specific ministries. Individuals and women's groups are invited to support the ministries for 2023 as listed below.

1. BC/YUKON LOCAL PROJECT: chosen from those sponsored by the CBWC (or a local CBWC church).

2023 Project – The Mustard Seed in Victoria experienced a fire in April 2023. An offering will be taken at the BC & Yukon Autumn Celebration on September 30 to support recovery and restoration of their facility. Further donations sincerely appreciated.

2. Love Gifts: Given annually to honour the women who have formerly served as missionaries with Canadian Baptist Ministries, and who are now retired and living in BC/Yukon.

3. International Project: Scholarships for International Students: For a woman studying at the upper post grad level in one of CBM's partner areas. <https://youtu.be/pm5q51vwu4w>

4. Baptist Women's Day of Prayer - held first Mon. in Nov. Baptist women from around the world meet to pray for each other. Through the Baptist World Alliance and the Baptist Women of North America, offerings collected provide support and leadership development for women in underdeveloped countries.

5. Great Canadian Bible Study (usually held in January)
This one-day Bible Study, unites Baptist women across Canada as we study, pray, and give to an international mission project. Previous GC Bible Studies are online at the old CBWC website: <https://womeninfocusatcbwc.wordpress.com/resources/great-canadian-bible-study/>.

New Studies are posted on: www.canadianbaptistwomen.com
