C2 began in 1980 as Century II, a project of the Baptist Men. Since then, the campaign has expanded to include anyone in the CBWC family wanting to help selected churches or camps with small capital projects or innovative ministry initiatives.

HOW IT WORKS

Each quarter, we select and promote a project from a different CBWC region. C2 donors give a minimum \$25 to each project. 90% of each donation goes to the project, while 10% is used to help cover communication and the cost of receipting. Please consider increasing your gift above \$25 to help account for inflation.

LET'S DO AMAZING THINGS TOGETHER

BROADWAY-FIRST BAPTIST CHURCH, WINNIPEG

2025 SPRING APPEAL

2025

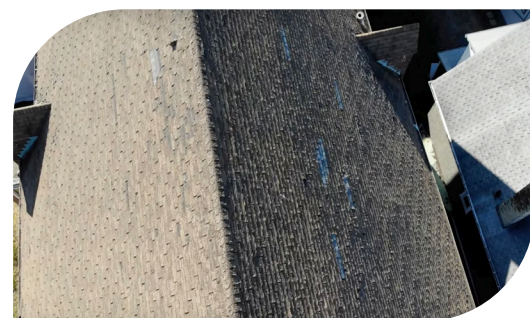

SPRING APPEAL

BROADWAY-FIRST BAPTIST CHURCH

The church has had a presence at the corner of Honeyman Avenue (formerly Broadway) and Walnut Street in Winnipeg since 1906.

In 1939, the congregation of First Baptist Church sold their building and joined in worship and membership with the members of Broadway Baptist Church to form Broadway-First Baptist Church.

Through the years since, this building has been home to community outreach programs such as Agape Table, Clothesline, Coach Program, Lightning Fencing Club, various cub and brownie packs, musical events, and service groups

such as Job's Daughters, plus hosting multiple congregations and church plants over the years. Now, the facility needs significant roof repair in order to continue providing a safe space for their community to gather.

They had a significant amount of rain come in at various parts of the sanctuary through the roof. The full roof needs to be resingled and potentially repaired underneath the shingles.

THE NEED:

The roof project is estimated to cost \$150,000. The church is fundraising internally, applying for grants, as well as looking into financing.

Please join us in supporting this important project!

RECENT APPEAL

FORT SASKATCHEWAN COMMUNITY CHURCH

FSCC realized that accessibility was not considered when their building was constructed in the late 1980s, so they set out to install proper ramps over the threshold of the front entrance doors and an automatic door opening system to improve access for members and visitors accessing the main floor of the church.

Thanks to donors like you, this project is one of several that they are undertaking to ensure that no barriers exist for those seeking to worship or to attend other events within the facility.

STRENGTH IN NUMBERS
